Readiwriter

Dear parents and carers,

We hope you are all keeping well and safe during this difficult time. To support the learning of spelling, we have subscribed to **Readiwriter**. This is to replace Spellodrome. We are aware there have been technical issues with Spellodrome.

Readiwriter is much easier to use:

- It helps to make spelling learning stick
- It uses games to make learning stick
- The games and activities are engaging for children of all ages
- The games and activities develop understanding of spelling and vocabulary

Your child's **username** and **password** for Readiwriter is the same as Spellodrome. Your child does not need a new username and password.

The spellings for this week have been set on Readiwriter.

Please go to: <https://login.readiwriter.com/>

If you require support, please email your child's class teacher:
